GOOD WHOLESOME FOOD ALL ROUND!

WELCOME

Welcome to The Country Table Café in Newton Abbot Hospital. We are a family run business and have been proudly serving our homemade food since March 1996. We pride ourselves on quality, quantity and value for money, along with old fashioned friendly service, to ensure that you have an enjoyable experience.

All our lunches, soups, bakes and most of our cakes are made on the premises using our own recipes and fresh local ingredients where possible. By using local produce and suppliers, we are doing our bit to help the local community and environment.
